1017/54/8 Le Van Luong Street, District 7
I come from Quang Ngai

I'm Duy Do Van. Studying at Ton Duc Thang University. My major is Computer Science. I like to work with other people and find that it's much easier to achieve something when everyone works together and complete. My hobbies are listening to music, watching films and trekking. Additionally, I enjoy traveling and exploring new places with plentiful cuisines and nature.
